GREEN ✓ Cleaning Solutions

For Your Business & Our World

Guide To GREEN

What is Green Seal?

Green Seal is an independent non-profit organization dedicated to safeguarding the environment by promoting the manufacturing, purchasing, and use of environmentally responsible products and services.

Green Seal certifies that a product or service has been tested according to science-based procedures, that it works as well or better than others in its class, and that it has been evaluated without bias or conflict of interest. The Green "Seal of Approval" has come to stand for reliability, fairness, and integrity.

Why Should I (my business) Go Green?

Planet

Green cleaning reduces environmental impacts of the cleaning process by using more environmentally friendly products.

Resources used to make Green products are harvested in a cleaner eco-friendlier way, scientifically designed and tested to reduce the adverse effects on the environment.

People

Green cleaning contributes to safer and healthier work environments by using less toxic cleaning agents that may harm workers.

Profit

Green cleaning contributes to increased workplace wellness and productivity. Green cleaning reduces the number of Sick Days used as a direct result from more toxic cleaners being inadvertently ingested by workers.

How does Armchem Make Going Green EZ?

- Armchem carries a full line of Green certified products with your business and our world in mind.
- Fully trained staff ready to answer your *Green* questions.
- Products In Stock, Ready To Ship.
- Online Ordering.

Featured Products include:

- Toilet Paper *(p3)*
- Paper Towels *(p4)*
- Hand Soap *(p4)*
- Multipurpose Cleaners *(p5)*
- Tub & Tile Cleaner *(p6)*
- Glass Cleaners *(p6)*
- Floor Finisher and Stripper *(p7)*
- Microfiber *(p8)*
- Bio-Degradable Trashliners *(p9)*
- Energy Saving Light Bulbs *(p9)*
- Water Saving Urinals *(p10)*

Armchem International *the leader in Specialty Maintenance Facilities products is your one stop shop for everything Green!*
Qualified professionals are ready to answer your Green questions.

Toilet Tissue

Fact "Green" Toilet paper is easier on the pipes in your business. Made from 80 percent post consumer goods, Armchem's Green Seal paper goes down drainage pipes easier. Allowing for better flow and less potential for sewage blockage.

Armchem's Green Seal Toilet paper/Paper towels contain 100% recovered paper fiber and 80% post-consumer materials, and meets Green Seal's environmental standard for bleaching, de-inking and packaging. Our Premium, Economy and Eco Plus toilet papers contain no added inks, dyes, or fragrances.

***Qualifies for On Loan Program*

All-Purpose Cleaners

Fact 5 billion pounds of chemicals are consumed in the United States each year to clean and maintain institutional and commercial buildings. Armchem's MP11 and Safe 2 Clean Green Seal Certified cleaning products will help to significantly reduce harmful chemicals within the workplace, promoting a safer and healthier working environment.
(Source www.puregreencleaners.com)

MP11 is a highly concentrated, multi-purpose cleaner formulated to be a Heavy Duty Cleaner, Spray and Wipe Cleaner and a Neutral Floor Cleaner depending upon dilution. MP11 provides top-tier performance for cleaning floors, walls, chrome, stainless steel, table tops, vinyl, sealed wood and many other surfaces not harmed by water. MP11 meets the requirements of the GS-37 Green Seal Standard and is Green Seal Certified. It is an Environmentally Preferable Product that is designed to perform well yet have no harmful effects on our environment or to the person using the product.

Spray/wipe cleaner. 1:128 dilution
1 gallon will dilute with water to make up to **512 quart bottles** of spray and wipe cleaner

Heavy-duty cleaner/degreaser. 1:32 dilution
1 gallon will dilute with water to make up to **128 quart bottles** of heavy-duty cleaner/degreaser *providing your business with huge annual savings vs. ready-to-use products.*

Neutral floor cleaner. 1:256 dilution
Low suds, so it's great for auto-scrubbers as well as mop buckets.

See page 8

Starmop Wet Pad

Starmop Pro (Complete Set)

Cleaning Chemicals	Unit	Usage	Price p/c	GS-41	For Use With
#ACS005 MP11/Focus	4/1 Gal.	Multipurpose Cleaner	$99.95	✓	Starmop Pro/Mop Pad
#ACS001 Safe 2 Clean Peroxide Cleaner	4/1 Gal.	All Purpose Cleaner	$99.95	✓	Starfiber Miracle Cloth

Safe 2 Clean is a highly concentrated, multi-purpose cleaner providing top-tier performance as a Glass Cleaner, Multi-Purpose Cleaner and a Restroom Cleaner depending upon dilution. Safe 2 Clean Peroxide Cleaner meets the requirements of the GS-37 Green Seal Standard and is Green Seal Certified. Safe 2 Clean is an Environmentally Preferable Product that is formulated to perform well yet have no harmful effects on our environment or to the person using the product. Safe 2 Clean has a pleasant citrus scent.

Glass cleaner. 1:128 dilution

Starfiber Miracle Cloth

Glass – Tile & Tub Cleaners

Fact Many Cleaning Chemicals actually increase in toxicity when combined with water. Bathrooms can be a haven for bacteria and mold and GC 55 Glass & Window Cleaner, Kiss Krystal and TC 66 Tub and Tile Cleaner are an effective combination in creating a clean, safe and sanitized environment. *(Source www.puregreencleaners.com)*

GC 55 GLASS & WINDOW CLEANER is a highly concentrated, glass, window and multi-purpose cleaner. GC55 is designed to meet the requirements of GS-37, the Green Seal Standard for Glass Cleaner and is Green Seal Certified. GC55 is an Environmentally Preferable Product that is formulated to perform well yet have no harmful effects on our environment or to the person using the product.

GC 55 Glass & Window Cleaner has been formulated with completely biodegradable surfactants and other naturally derived ingredients.

This non-toxic glass, window and multi-purpose cleaner provides top-tier performance.

- alcohol-free
- ammonia-free
- non-streaking
- fast drying

Glass cleaner. 1:64 dilution
1 gallon will dilute with water to make 256 quart bottles of **(RTU)** glass cleaner

Double Sided Mitts

See page 8

Cleaning Chemicals	Unit	Usage	Price p/c	GS-37	For Use With (page 8)
#ACS002 GC 55 Glass and Window Cleaner	4/1 Gal.	Glass Cleaner	$99.95		Double Sided Mitts
#ACS003 TC 66 Tub & Tile Cleaner	4/1 Gal.	Tub and Tile Cleaner	$99.95		Starfiber Miracle Cloth
#CHE284 Kiss Krystal System	Starter Kit*	Concentrated Glass Cleaner	$69.95		Double Sided Mitts

KISS KRYSTAL is a specially concentrated glass, plastic and CRT cleaner designed for use on Lexan, Lucite, windows, mirrors, menu boards and other surfaces not harmed by water. The Kiss System's fresh blue formula utilizes a special combination of soil-suspending detergents, and wetting agents to quickly remove soil smudges, grease and finger prints without streaking. The Kiss System's unique delivery significantly reduces costs when compared to traditional R.T.U. products, reduces dilution labor costs while distributing a 100% product yield every time.

* ***Starter Kit includes:*** 6 Spray Bottles, 6 Triggers and 6 10 mil. Cartridges

TC 66 TUB & TILE CLEANER is a highly concentrated, non-corrosive, non-fuming, tub & tile cleaner. TC 66 meets the requirements of the GS-37 Green Seal Standard and is Green Seal Certified. TC 66 is an Environmentally Preferable Product that is formulated to perform well yet have no harmful effects on our environment or to the person using the product. TC 66 is formulated with a low pH organic salt capable of replacing a wide range of traditional acids. TC 66 provides top-tier performance for cleaning tubs, tile, grout, walls, toilet bowls, urinals, shower stalls and other bathroom surfaces.

Heavy-duty tub and tile cleaner. 1:16 dilution
1 gallon will dilute with water to make up to 64 quart bottles of tub and tile cleaner, significantly reducing cleaning costs, while raising the workplace safety profile.

Medium-duty tub and tile cleaner. 1:32 dilution
1 gallon will dilute with water to make up to 128 quart bottles of medium-duty tub and tile cleaner for daily maintenance and huge annual savings.

Light-duty tub and tile cleaner. 1:64 dilution
1 gallon will dilute with water to make up to 256 quart bottles of light-duty tub and tile cleaner, for daily maintenance and huge annual savings.

Highly effective, yet non-corrosive, non-fuming.

Starfiber Miracle Cloth

Floor Stripper, Finisher & Sealer

Fact The EPA estimates that the air inside your office can be 2 to 5 times more polluted than the air just outside your window. Using Green Seal approved products will create a positive impact on our environment as well as create an increase in environmental consciousness. *(Source www.puregreencleaners.com)*

ZF 33 ZINC-FREE SEAL & FINISH A highly effective, low V.O.C., zinc free floor seal and finish. ZF 33 Zinc-Free Seal & Finish represents a new generation of floor care products. ZF 33 exhibits a deep, wet-look gloss and it can be incorporated into any floor maintenance program.

ZF 33 meets the GS-40 Green Seal Standard for Floor Finish and is Green Seal Certified. ZF 33 is an Environmentally Preferable Product that is formulated to perform well yet have no harmful effects on our environment or to the person using the product. ZF 33 Zinc-Free Seal & Finish contains no heavy metals, formaldehyde, ammonia or nonylphenol surfactants. High levels of zinc have been found to be toxic to aquatic life.

Floor Chemicals	Unit	Usage	Price p/c	GS-40	For Use With (page 8)
#ACS004 ZF 33 Seal and Finish	4/1 Gal.	Floor Sealer and Finish	$99.95		Kentucky Mop Pad
#ACS006 FS 22 Floor Stripper	4/1 Gal.	Floor Stripper	$99.95		Kentucky Mop Pad

FS 22 FLOOR STRIPPER A concentrated, highly effective, fast acting, low odor, floor finish and wax remover – environmentally benign but still strong enough to remove floor finishes and wax seals without the use of a floor machine.

FS 22 meets the GS-40 Green Seal Standard for Floor Stripper and is Green Seal Certified, based on its reduced human and aquatic toxicity and reduced smog production potential. Using state-of-the-art chemistry, FS 22 provides top-tier performance without the potentially harmful effects of 2-butoxyethanol, ammonia, nonylphenol surfactants, dye or fragrance.

See page 8

FOCUS Brand FS 22 FLOOR STRIPPER is:

- Highly effective
- Fast acting
- Low odor

MicroFiber - Cloths - Mops - Mitts

How It Works Microfiber holds 7 times its weight in dirt, grime and liquid. Each fiber is 200 times finer than a human hair. Open spaces between fibers hold dust, dirt, and oil until washed away with mild soap or detergent. Spaces also allow large amounts of moisture to be collected into the cloths making them very absorbent. These same spaces allow for quicker drying time eliminating much of the bacterial growth found in slow drying cloths. This ultra fine Micro fiber does not damage any surface.

MIRACLE CLOTH It dusts...It cleans...It polishes!!! The original Miracle Cloth is THE All-Purpose cleaning cloth, use it to clean everywhere in your business, great on windows, counter tops & bathrooms. The Miracle Cloth can be used dry for dusting, and wet for cleaning. Made from Starfiber microfiber the original Miracle Cloth works better than any other cleaning material on the market today.

STARMOP The StarMop can be used wet for polishing, mopping and cleaning floors, and dry for sweeping, and picking up dust and dirt particles. Starmop's special design allows you to clean in hard-to-reach places such as under furniture and in-between small, narrow spaces.

Microfiber	Unit	Usage	Price ea.	Price/cs.	ECO	For Use With
#STF001 Microfiber Miracle Cloth*	50 p/c	Cleaning Cloth	$2.50	$125.00		Safe 2 Clean

ZeroFlush

SAVE WATER. SAVE MONEY.

Facts

- The average swimming pool has 15,000 gallons of water.
- ONE ZeroFlush Urinal can save 3 swimming pools worth of water in just one year.
- ONE ZeroFlush urinal will pay for itself in less than a year with savings on water, sewage and maintenance costs.
- Unlike Competitors, our Odor Barrier Oil is 100% bio-degradable and will not break down when using the strongest cleaning agents.
- ZeroFlush urinals are environmentally friendly and help reduce the growing amount of sewage to save our already heavily taxed municipal waste and water infrastructure.
